REFEREES

For each major specialty in which you are seeking clinical practice, please provide names, addresses, telephone numbers, facsimile numbers and email addresses of three (3) professional referees (at least one from your own profession) who can attest to your recent practice and have known you for at least 12 months within the past 3 years. We prefer (where possible) that these referees are independent. However, where there is a relationship which may lead to a bias, such as a referee and the applicant are in business together as a partnership, or are employer/employee, then this relationship must be disclosed by you to the hospital. Please note that your referees will be contacted and asked to provide a written reference. Telephone referee checks are not conducted.

GOVERNANCE - Document Credentialing and Scope of Clinical Practice Application Form (Qld)

LADY BJELKE-PETERSEN COMMUNITY HOSPITAL

DECLARATION

- 1. I authorise the South Bank Day Hospital (SBDH) and/or the Lady Bjelke-Petersen Hospital (LBPCH), its employees, officers and the Medical Advisory Committee, to obtain information on an annual, or as necessary, basis from the registration body/indemnity insurance organisation as nominated in this application, regarding the currency of my registration/membership of that body/organisation.
- 2. I authorise the SBDH/LBPCH to conduct a criminal record check in respect of my history including information relevant to the provision of services to children and I agree to notify the Chief Executive Officer if I am convicted of a sex or violent offence or any other offence relevant to my practice as a Medical Practitioner.
- 3. I authorise the SBDH/LBPCH, its officers and the Medical Advisory Committee to verify with relevant individuals, external organisations, and nominated referees the validity of all claims, including complaints made, including explicit consent for the organisation to verify my declaration regarding health status, professional registration history, claims and legal proceedings.
- 4. I declare that I have no physical or mental condition or substance abuse problem that could affect my ability to exercise the scope of clinical practice requested or that would require any special assistance in order to enable me to exercise that scope of clinical practice safely and competently. I undertake to notify the SBDH/LBPCH if this statement becomes incorrect in the future.
- 5. I declare that my medical indemnity/professional indemnity cover is adequate and appropriate for the Clinical Privileges and activity, which is the subject of this application.
- 6. I declare that I am the person named in this application and that the information provided by me in this application and in connection with this application is accurate and complete and is not misleading or deceiving or likely to mislead or deceive. I understand that if I have provided misleading or deceptive information, or information which is likely to mislead or deceive, that the SBDH/LBPCH's Medical Advisory Committee may (in its absolute discretion) consider that I do not have 'current fitness' under the Hospital By-Laws.
- 7. I declare that my personal immunisation status is current for preventable diseases including but not limited to Covid-19, Hepatitis B, Measles, Mumps, Rubella, Varicella, Diphtheria, Tetanus, Pertussis, Tuberculosis, Hepatitis A and Influenza. I declare that I will continue to maintain the appropriate immunisation status for the duration of my clinical privileges. I agree to provide confirmation of my immunisation status if so directed by the Medical Advisory Committee.
- 8. In applying for appointment I acknowledge that I have been provided with, and read, a copy of the Hospital By-Laws and if appointed, agree to abide by the By-Laws and policies of the SBDH/LBPCH, including any annexure or variation to the By-Laws during the tenure of my appointment, all relevant legislative requirements (including compliance with Health Ombudsman Standards) and any terms and conditions which are attached to my appointment by the Board/Licensee. I understand that non-compliance with the Hospital By-Laws may be grounds for suspension, termination or imposition of conditions on my clinical privileges.
- 9. I undertake to notify the SBDH/LBPCH promptly and in writing, if my scope of clinical practice is altered in any way at any other hospital or day procedure centre.
- 10. I agree to attend committee and clinical meetings at the facility to support my discipline within the facility, and to participate in any clinical quality assurance activity including submitting my practice to clinical audit and peer review, in conjunction with the hospital, the Medical Advisory Committee or clinical specialty committees if required by SBDH/LBPCH.
- 11. I undertake to notify SBDH/LBPCH should any information provided in this application for appointment vary in any way.
- 12. I understand that it is my responsibility to ensure all surgical assistants attending with me have been approved through the correct credentialing process. Any practitioners not approved will be asked to leave theatre immediately until the necessary checks have been completed by SBDH/LBPCH.
- **13.** I acknowledge and agree to release and indemnify SBDH/LBPCH from and against all claims, including legal costs, out of a decision to suspend or terminate my accreditation or to not re-appoint me in circumstances set out in the Hospital By-Laws.

In the event of myself or the aforementioned practitioner(s) being unavailable in the case of an emergency, I am agreeable to the facility seeking urgent alternative assistance with authority to be exercised only after consultation with the Chief Executive Officer or duly authorised person.

I understand that my Appointment will be reviewed in three (3) years or earlier if considered necessary.
